

PHYSIOTHERAPIST WANTED!

Come and work in sunny Dunedin – a city of culture, cafes, great beaches and the gateway to central Otago.

Back in Motion Physiotherapy is a leading provider in physical health and wellbeing in Dunedin. We provide a high level of physiotherapy services in areas of sports, manipulative and neuro physiotherapy and have a comprehensive range of related services including clinical Pilates, massage, acupuncture, cancer rehabilitation and Bradcliff Breathing.

ABOUT THE ROLE

We are looking for a passionate, confident and career focused physiotherapist to join our Centre City Clinic team. The purpose of this role is to deliver excellent clinical care and to support the objectives of our practices. The position available is a full time permanent position. You will work with a varied musculoskeletal case load including acute conditions, spinal physio rehab, sports physio, post op care, the older adult and general musculoskeletal injuries.

The successful applicant must exhibit our values of honesty, integrity, teamwork and strive to further educate and progress themselves both at work and in their personal life.

DUTIES AND RESPONSIBILITIES

- Provide a full range of musculoskeletal physiotherapy services.
- Motivate patients to achieve better health outcomes.
- Participate in professional development.
- Be accountable to best practice clinical care.
- As per our Job Description.

BENEFITS

- Work within a progressive multidisciplinary team.
- Ongoing professional development – internal and external support
- Competitive remuneration package – option of salary or fee for service.
- Annual study allowance for professional development
- Friday morning teas
- Flexible start date.
